

Community Star Awards

Nomination form

All nominees must be 16 - 25 years old and live within Leicester city

Award Criteria: please tick the award you are nominating your young person for

Impact Award: for young people whose volunteering has made a significant difference to other people, communities or organisations.

Best Newcomer: for young people who have recently started volunteering and have shown great potential for the future.

Most Dedicated Volunteer: for young people who have demonstrated the commitment and dedication to go the extra mile in volunteering; for example, overcoming personal obstacles that makes volunteering difficult, or who have volunteered a significant amount of their time.

Most Innovative youth led project: unlike the other categories this award is for a group of young people rather than an individual. This group will have led their own project for the benefit of others. Their project must demonstrate fresh thinking and new ideas. The majority of the group should be 16-25.

Rising star award: for young people who have shown consistent or significant development in terms of their skills, level of responsibility or commitment.

All volunteers who are successful in winning an award will automatically be in the running for the prestigious Leicester Volunteer of the Year 2010 Award.
